

PROFESSIONAL ENGINEER'S CERTIFICATION FOR
STORM WATER RUNOFF & DRAINAGE

I have personally evaluated the proposed storm water runoff and drainage
for _____
located at _____

With consideration to applicable drainage principles and generally accepted
engineering standards and procedures, the design submitted provides for the
drainage and storm water flow from the subject development site to be in
accordance with Chapter 43 of the Code of Ordinances of the City of
Longview as amended by Ordinance # 2990 which includes the requirement
to provide for adequate drainage.
